

4pm Parchment PFAS call

1. Unified command has been formed by locals and State agencies.
2. 5,000 of the 10,000 cases of water on hand have been handed out, looking for sources to replace what has been distributed.
3. National Guard may be activated if a State of Emergency is declared.
4. State Police, Sherriffs, and environmental staff are delivering water to shut ins.
5. Water supply has been revised from a 10 day supply to a 3 day supply on hand based on demand.
6. Working on a sampling plan and AECOM is using Vista Labs
7. Have private companies going around trying to sell in home water treatment systems
8. Health Department will remain open for this issues, updates will be via social media.
9. Health guidance has been issued to local health providers. Media is contacting hospitals about blood testing for PFAS. An FAQ for health concerns is being developed and will be shared with MDHHS prior to being distributed.
10. Community town meeting: Venue will be at Haven Church, 5350 North Sprinkle Road.
11. MDEQ and AECOM will begin sampling tomorrow. Sampling will occur next week near landfills and a leaking UST (source investigations)
12. Talking of point of use filters certified effective up to 1,500 ppt for PFOA+PFOS and provided by NSF?? There was concern over the cost being charged to people.
13. (269) 615-5010 Shannon (?sharon) Stutz lead to coordinate volunteers.
